## **Product Name: Recombinant Mouse Transferrin**

Catalog #: PCM2557

## **Summary**

Name Recombinant Mouse Transferrin

**Purity** Greater than 98% as determined by reducing SDS-PAGE

**Endotoxin level** ≤0.5 EU/mg

Construction Recombinant Mouse Transferrin is produced by our Mammalian cell

expression system and the target gene encoding Val20-His697 is expressed.

Accession # Q921I1-1

**Host** Human Cells

**Species** Mouse

Predicted Molecular Mass 74.5 kDa

Formulation Lyophilized From sterile water

**Shipping** The product is shipped on dry ice/polar packs.Upon receipt, store it immediately

at the temperature listed below.

Stability&Storage Store at  $\leq$ -70°C, stable for 6 months after receipt.Store at  $\leq$ -70°C, stable for 3

months under sterile conditions after opening. Please minimize freeze-thaw

cycles

**Reconstitution** Always centrifuge tubes before opening.Do not mix by vortex or pipetting.It is not

recommended to reconstitute to a concentration less than 100µg/ml.Dissolve the lyophilized protein in distilled water.Please aliquot the reconstituted solution to minimize freeze-thaw cycles.Always centrifuge tubes before opening.Do not mix by vortex or pipetting.It is not recommended to reconstitute to a concentration less than 100µg/ml.Dissolve the lyophilized protein in distilled water.Please

aliquot the reconstituted solution to minimize freeze-thaw cycles.

## **Background**

Alternative Names Serotransferrin; Transferrin; Beta-1 metal-binding globulin; Siderophilin; TF

Background Serotransferrin belongs to transferrin family, and contains 2 transferrin-like

domains. The protein is a secreted protein, and expressed by the liver and secreted in plasma. Transferrins are iron binding transport proteins which can bind two Fe3+ ions in association with the binding of an anion. It is responsible for the transport of iron from sites of absorption and heme degradation to those of storage and utilization. Serum transferrin may also have a further role in

stimulating cell proliferation.

## Note

For Research Use Only, Not for Diagnostic Use.
