# Product Name: Recombinant Rhesus Macaque CD79B (C-6His Catalog #: PHV2214

### **Summary**

Name CD79B/B29

**Purity** Greater than 95% as determined by reducing SDS-PAGE

**Endotoxin level** <1 EU/μg as determined by LAL test.

Construction Recombinant Rhesus macaque CD79B is produced by our Mammalian

expression system and the target gene encoding Ala30-Asp161 is expressed

with a 6His tag at the C-terminus.

Accession # H9ZFT8

**Host** Human Cells

**Species** Rhesus Macaque

Predicted Molecular Mass 16.1 KDa

Formulation Lyophilized from a 0.2 µm filtered solution of PBS, pH 7.4.

Shipping The product is shipped at ambient temperature. Upon receipt, store it

immediately at the temperature listed below.

**Stability&Storage** Store at  $\leq$ -70°C, stable for 6 months after receipt. Store at  $\leq$ -70°C, stable for 3

months under sterile conditions after opening. Please minimize freeze-thaw

cycles.

**Reconstitution** Always centrifuge tubes before opening. Do not mix by vortex or pipetting. It is

not recommended to reconstitute to a concentration less than 100µg/ml. Dissolve the lyophilized protein in distilled water. Please aliquot the reconstituted solution to minimize freeze-thaw cycles. ## Product Name: Recombinant Rhesus Macaque CD79B (C-6His Catalog #: PHV2214

Alternative Names B-Cell Antigen Receptor Complex-Associated Protein Beta Chain; B-Cell-Specific

Glycoprotein B29; Ig-Beta; Immunoglobulin-Associated B29 Protein; CD79b;

CD79B; B29; IGB

Background CD79B is a single-pass type I membrane protein. CD79B contains one Ig-like V-

type domain and one ITAM domain. CD79B is required in cooperation with CD79A for initiation of the signal transduction cascade activated by the B-cell antigen receptor complex (BCR), which leads to internalization of the complex, trafficking to late endosomes and antigen presentation. CD79B enhances phosphorylation of CD79A, possibly by recruiting kinases that phosphorylate CD79A or by recruiting

proteins that bind to CD79A and protect it from dephosphorylation.
